Hey Rob --

The CFAC permit is out for public comment until April 4th. Here is a link to the permit, if you are interested.

Subject: Permit Update for Glencore/Columbia Falls Aluminum

Hi Carson,

I'm curious if you know the status of the proposed NPDES permit for the Columbia Falls Aluminum Site? We've received the data from the site reassessment and are now evaluating how the permit impacts potential next steps at the site.

Thanks!

Rob
